Serhii Mashchenko

Front-End / JavaScript developer

PERSONAL PROFILE STATEMENT

I'm a person open for new challenges and new experience. The first interest for me is to get new knowledge which can give me the opportunity to realise my potential in IT sphere.

WORK EXPERIENCE

I've studied on Front-end Spring Epam Internship, where we solved many different tasks using JS/CSS/HTML.

Github profile with some pet projects:

<https://github.com/ISergeyMashchenko>

EDUCATION

Taras Shevchenko National University of Kyiv

Faculty of radiophysics, electronics and computer systems

Master of applied physics and nanomaterials

ADDITIONAL INFORMATION

Rugby player for RC Polytechnic, like riding a bike, reading, keen on high attitude mountaineering.
